**Inter Medico and AutoGen (FujiFilm)  
Strategic Partnership in Canada**

TORONTO, ON, April 2007 – Inter Medico, the largest privately owned Canadian distributor of medical diagnostic and research related products is pleased to announce a new strategic alliance with AutoGen (FujiFilm) of Holliston, MA, USA. Effective June 5, 2007, Inter Medico will distribute AutoGen (FujiFilm) Inc. products in Canada. This agreement will provide Canadian Laboratories access to the AutoGen product line which includes instrumentation and reagents for DNA and RNA isolation. Included in their product line are;

- QuickGene Mini80
- QuickGene 810
- QuickGene 610L
- DNA and RNA isolation kits for blood, tissue, cells and more
- MicroSmash
- AutoGenprep-245T
- Gene Prep
- AutoGenFlex STAR
- AutoGenprep 965

AutoGen Inc. will allow us to enhance our current portfolio of molecular products by providing front end automation (benchtop and free standing) for the isolation of nucleic acid. We are very excited about this relationship and believe it will provide our customers with access to products that will support their research and diagnostic laboratories.

To obtain more information on the product lines, visit [www.autogen.com](http://www.autogen.com).
