**Inter Medico and *InVivoScribe* Technologies  
Strategic Partnership in Canada**

TORONTO, ON, February 2007 – Inter Medico, the largest privately owned Canadian distributor of medical diagnostic and research related products is pleased to announce a new strategic alliance with *InVivoScribe* Technologies, LLC, of San Diego, California, USA. Through this alliance, Inter Medico has exclusive distribution rights in Canada to market the full *InVivoScribe* product line. Inter Medico has sales representation in all Provinces as well as in-house customer service, technical support and biomedical specialists.

*InVivoScribe* Technologies is the world's leading provider of PCR-based tests, reagents and controls used to identify and monitor leukemia's, lymphomas, and other lymphoproliferative diseases. Their product range includes a comprehensive selection of ready to use standardized assays for the detection of gene rearrangements, chromosome translocations and gene mutations. The *InVivoScribe* B and T cell clonality assays are now established as the 'gold-standard' in leading hematopathology testing centers world-wide.

Inter Medico is committed to bringing you the same high level of technical and operational support as has been the case with *InVivoScribe* Technologies, LLC USA.
