Inter Medico and Pro-Lab Diagnostics Enter 2nd Phase of Strategic Partnership in Canada

TORONTO, ON, July 1, 2008 – Pro-Lab Diagnostics and Inter Medico are pleased to announce that the second and final phase of their strategic Canadian partnership is underway. As you are aware, on May 1st, 2008 Inter Medico was appointed the exclusive Canadian distributor for all of Pro-Lab Diagnostics' microbiology and infectious disease products. As of September 1st, 2008 Inter Medico will also begin exclusively distributing the remainder of the Pro-Lab line of products; namely those manufactured by Rosco Diagnostica A/S (Denmark) and Trinity Biotech (Ireland).

“We are dedicated to continued innovation and providing the highest quality products to hospitals, private medical laboratories, and other microbiology-focused laboratories. This partnership in Canada will allow Pro-Lab to accelerate the development of new products to meet the expanding needs of our customers”, said Andrew Rae, Vice President, Pro-Lab Diagnostics. “Inter Medico’s extensive experience in the clinical laboratory setting, combined with their established distribution and support network in Canada, make them the ideal partner for Pro-Lab.”

Dan Lichtman, President, Inter Medico remarked “We are very proud of Pro-Lab’s global success and their confidence in Inter Medico representing them in Canada”.

For the month of August 2008, customers will be able to place their orders for goods manufactured by Rosco, Trinity, and/or BBI with Pro-Lab Diagnostics or Inter Medico. Beginning September 1st, 2008, all Pro-Lab Microbiology and Infectious Disease products, along with the manufacturers listed above will be available exclusively through Inter Medico for Canadian customers.
